Patient Instructions:

Hi John,

- Remember to take your medication as prescribed by Dr. Kim every day at the same time to ensure its effectiveness.
- Be mindful of potential side effects such as nausea, dizziness, or headaches. If you experience any of these, please let Dr. Kim know right away.
- If you notice any changes in your symptoms or have any concerns about your medication, don't hesitate to contact Dr. Kim for further guidance. Your health and well-being are our top priority.

Take care,
[Your Name]
