

Prescription (Rx)

Patient Information		Date and MRN	
Name:	Olivia Chen	Date:	2025-07-08
Age:	36	MRN:	MRN100017
Diagnosis:	Hypertension (ICD: I10)		

Prescribed Medications:

Medication	Dosage	Frequency
1. Amlodipine	5mg	1 tablet daily
2. Losartan	50mg	1 tablet daily
3. Hydrochlorothiazide	25mg	1 tablet daily

Patient Instructions:

Dear Olivia,

1. Take your medication as prescribed by Dr. Lee, at the same time each day to ensure effectiveness.
2. Watch for potential side effects such as nausea, dizziness, or rash. If you experience any of these, contact Dr. Lee immediately.
3. If you miss a dose, take it as soon as you remember. If it is almost time for your next dose, skip the missed dose and continue with your regular schedule.
4. Contact Dr. Lee if you have any concerns or questions about your medication or if you notice any new or worsening symptoms.

Take care,
[Your Name]
