Mercy General Hospital

123 Health Plaza, Medical City, CA 90210

- It is important to continue taking the medication as prescribed even if you start feeling better.

Patient Instructions:

Hello Oliver,

1. Please take your medication as prescribed by Dr. Jennifer Kim. Make sure to follow the dosage and timing instructions carefully.
2. Watch out for any potential side effects of the medication, such as nausea, dizziness, or rash. If you experience any unusual symptoms, contact Dr. Kim immediately.
3. If you have any concerns about your medication or its effects on your health, don't hesitate to reach out to Dr. Kim. She is here to help and can adjust your treatment plan if needed.

Take care and stay healthy,
