Patient Instructions:

Hello Charlotte,

It's important to take your medication as prescribed by Dr. Johnson to ensure the best outcome for your health. Remember to take your medication at the same time each day to maintain consistency.

Be aware of any potential side effects such as dizziness, nausea, or headaches. If you experience any of these symptoms or any other unusual side effects, please contact Dr. Johnson immediately.

If you have any questions or concerns about your medication or treatment plan, don't hesitate to reach out to Dr. Johnson. Your health and well-being are our top priority, and we are here to support you every step of the way.

Take care,

[Your Name]
